Hiring Manager,
Wiley

Dear Hiring Manager,

I am excited to apply for the Associate Software Engineer position at Wiley. With a strong background in ASP.NET MVC, API development, HTML, CSS, JavaScript, SQL Server management, Azure, and mobile application development in Flutter, I am confident in my ability to contribute to your team.

In my previous role, I developed and maintained web applications using ASP.NET MVC, created robust backend solutions through API development, and built user-friendly interfaces with HTML, CSS, and JavaScript. My experience in SQL Server management and Azure deployment has ensured high performance and scalability. Additionally, my expertise in Flutter has enabled me to develop seamless cross-platform mobile applications.

Wiley's commitment to innovation and excellence greatly appeals to me, and I am eager to bring my technical skills and passion for continuous learning to your team. I look forward to discussing how my experience aligns with Wiley's goals. Thank you for considering my application.

Sincerely,
Uditha Bodhinayake
